What do these eight believers have in common?

- They are all real disciples of Jesus who multiply disciples of Jesus
- They are all graduates of the Zúme discipleship strategy, led by DBA Evangelism Consultant Tim Ahlen
- They are all using the Zúme Discipleship strategy to start multiple groups.
- What is Zúme? Look at the next page for details.

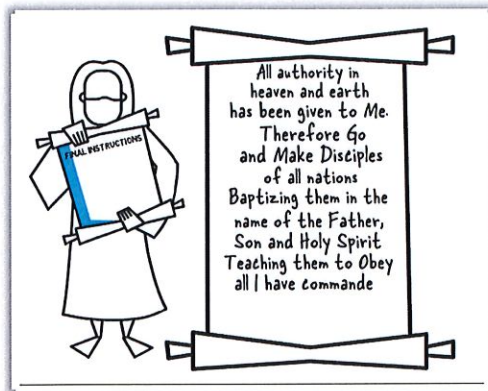

## What is Zúme?

Zúme is a simple yet challenging tool that provides ordinary believers with a solid biblical and “orthopraxical” foundation for a lifetime of disciplemaking. It is online, in-life and always free of charge. Perfectly suited for virtual learning.

## Where is Zúme?

Zúme principles have been in development since the 1990’s but became a formally developed strategy about five years ago. Since that time, it has grown into a global disciple training movement available in 40 different languages. The United States is now the #1 most popular place for Zúme training in the world.

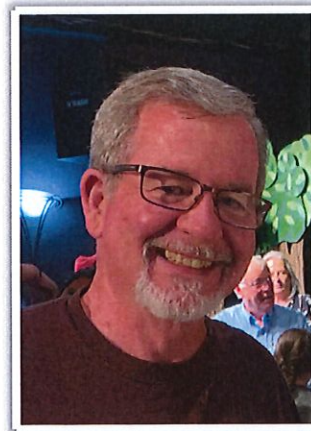

## Why Zúme?

Simple. Jesus’ Great Commission and Great Commandment tell us that we are to love God, love others and make disciples. And Zúme teaches new believers to do just that in the context of simple, reproducible churches. Ordinary people making extraordinary disciples. That’s what Zúme does. Who should take the training? Pastors, staff, small group leaders, SS teachers, ordinary, everyday followers of Jesus!

## How do I sign up?

The good news is that there are new groups beginning all the time. DBA Unreached People Group and Evangelism Consultant Tim Ahlen is kicking off two new trainings at the end of this month: one on Thursday afternoons and another on Saturday mornings. You can register for either of these ten-week trainings at <http://bit.ly/35vjK0M>. If these times don’t work for you, there are about a dozen trainings starting up in the next month.

## Questions?

Call or write to Tim Ahlen, DBA’s UPG/ Evangelism Consultant. He can be reached at 214.403.8283, or at [timothy.ahlen@dba.net](mailto:timothy.ahlen@dba.net)
