

Bethany Baptist Church was established in South-East Dallas over 65 years ago. We are a congregation of believers who serve a predominately Hispanic community, seeking a full-time Pastor who is fluent in both Spanish and English. Our next Pastor should be equipped to preach a bilingual service so our congregation can worship together.

We are looking for a leader to help us reach a community that needs Jesus.

We prefer a person knowledgeable in handling everyday ministerial and administrative duties. Although we would like to have someone who has experience, we also would consider someone who has a passion for Christ, pursued a theological education, and has a calling to lead a church congregation.

Duties include preaching the word of God, evangelism training, outreach, counseling members, visitation, and leading various activities.

A Pastor who is married with children would relate well with Bethany's families. We understand that God uses people who do not have families or have become widowers. A divorced Pastor would not be acceptable because God has given the guidelines of a Pastor in II Timothy, as it states that a Pastor must be a man who has had only one wife. We believe that our pastor should be a man of God who believes in the Baptist Faith and Message 2000. Our style of worship must adhere to the Baptist faith. We can change certain aspects of worship. However, we believe Christ died and rose again for our salvation, and that we can do nothing to earn what God has freely given us.

We are constantly praying and seeking God to send us a Man of Faith to lead this congregation in serving together for the purpose of bringing Honor and Glory to God through Christ Jesus.

Thank you and God Bless,
Pastor Search Committee
